

UNIQUE ACTIVE BIRTHDAY PARTIES

SOCCER THEMED PARTY WITH FOOTGOLF

FootGolf is basically golf using a soccer ball. We have giant holes around the golf course where kids try to kick a soccer ball into these holes in the least number of kicks. This is a great way to give kids who like playing soccer a way to "Keep on Kicking" at their birthday party. We have had a fantastic response from parents and kids who have been out to try FootGolf:

"The kids had a blast. We could barely keep up with them"

"What a great idea. Even the kids who didn't play soccer really enjoyed it."

"I was surprised how much the kids liked keeping score. It created a really fun day out for everyone"

SPORTS TEAM PARTIES

We have a great new way for you either to finish off your sporting season or to build up the team spirit at the beginning.

Whether you play Soccer, Hockey, or any other team sport we have a new, fun way to get outside and have some fun!

FOOTGOLF

FootGolf is basically golf using a soccer ball. We have FootGolf tee off areas and 21" holes around the golf course creating a fun 18 Hole FootGolf course. The object of the game is to try to kick a soccer ball into these holes from the teeing areas in the least number of kicks. This great new sport uses the natural terrain and hazards of the golf course to add strategy, fun and excitement.

"We used FootGolf as our end of season event for our GU13 rep team and we had a BLAST. The girls had a great time trying to beat the coaches as well as each other."

"Our BU19 team used FootGolf for our final banquet and we all really enjoyed ourselves. Me and my kids even came back the next week to play again."

"LOTS of Fun doing something completely new."
